

Ferretti 750 - 2016

Boat ID: 3839

Date: September 16, 2019

Ferretti Yachts 750 represents another step forward in the construction of the Ferretti Yacht diameter over 70 feet, featuring a 22.9 m overall length. Evolution of the successful Ferretti Yachts 720, it special many relevant innovations, both interior and outside. Result from the settled collaboration between Studio Zuccon International Project, AYT&D - Advanced Yacht Technology & Design and the Ferretti Group's crew of engineers, architects, and designers, Ferretti Yachts 750 immediately strikes the attention for its outer profile, which is even sleeker and sportier, thanks to the fresh flybridge with an elongated tail. The flybridge is more roomy, since it is davit-free. In the outer rear area the distinguishing feature is the electrohydraulic swim floor, more than 1.5 meter long. It can be lowered 50 cm underwater, making the launching of the support easier. The swim floor can lift up to 450 kg and it can host a support of approximately 4 meters.

Specifications & Accommodation

	CATEGORY	ITEM
✓	Brand	Ferretti
✓	Model	750
✓	Boat type	Motor Yacht
✓	Construction year	2016
✓	LOA Length	15 - 25m

	CATEGORY	ITEM
✓	Cruise speed	29 kn
✓	Passengers	8-10
✓	Beam	5,70
✓	Fuel tank capacity	5000 L
✓	Cabins	4
✓	VAT	NOT PAID
✓	Engine power	2 x MTU 10V 2000 M93 1524

Equipment

	ITEM
✓	H+B hydraulic swim platform
✓	Tropical Air conditioning
✓	Generator ONAN 19kw 50 Hz - diff. from 13,5 kw
✓	Generator ONAN 19kw additional
✓	Electric stern thruster 15 HP
✓	Bow Thruster
✓	Water maker Idromar 180 l/h
✓	Inverter/battery charger Mast Mass combi 24V 2500W
✓	Tender Williams 385 turbojet
