Date: April 16, 2019

Milos At Sea was built by Codecasa, and offers a classic design with beautiful styling and decor, exterior and interior. She has 4 staterooms offering sleeping accommodations for up to ten persons in 1 King master suite with his/her bathrooms, 1 Queen bedded VIP stateroom on the lower deck along with 2 Twins each with a Pullman berth. The living/dining room is clean-lined and spacious, decorated in a white and black theme accented by beautiful textured walls and tables. For a less formal atmosphere to dine, the aft deck dining table is the place to be, where the sea and fresh air are the surroundings! Her top sun deck also sports a full lounging area and full separate dining table area with a built in BBQ for dining under the stars at anchor. Aft of the dining area and small settee on the main deck of the yacht are stair cases to the sea on both the port and starboard side, which lead to the lower swim platform. After a nice dip in the sea one can head to the fore of the yacht to bask in the sun on the sun cushions.
