

Sunseeker 131 - 2014

Boat ID: 5944

Date: December 3, 2021

Built in GRP by British yard Sunseeker International to a design by Don Shead, she was delivered in 2014. An interior in satin walnut can comfortably accommodate up to 10 guests in five cabins, comprising a master suite, two double cabins, and two twins. All cabins have entertainment centres, television screens and en-suite bathroom facilities. Four further cabins sleep seven crew members aboard this yacht.

The main saloon features ample seating, a 50-inch Beo Vision flatscreen plasma television, and a hydraulic sea balcony on the port side with U/V tinting on the side windows and patio doors. Moving forward, the dining area offers a table that can seat up to twelve guests in comfort.

The aft deck comes with customised seating on a settee and six teak chairs around an expandable teak table. There port and starboard staircases leading down to the massive swim platform, which can be hydraulically lowered into the water to serve as a swim-on platform. More built-in seating is situated upon on the flybridge as well as sunpads, a wet bar, fridge, ice maker, and a hard top with a retractable canopy. Twin 3,460hp MTU engines power her to a cruising speed of 16 knots and a maximum speed of 25 knots.
